AAAS

An illustration of a hot air balloon with a basket, set against a blue background. The balloon is depicted with a grid pattern and is surrounded by several smaller, similar balloons. The illustration is framed by a large, stylized outline of a hot air balloon basket and ropes.

NEUTRINOS FROM A BLAZAR
Multimessenger observations of an astrophysical neutrino source pp. 115, 146, & 147

The background is a dark, charcoal grey color. It features several faint, light grey circular patterns and arrows. Some are solid lines, while others are dashed. The patterns are scattered across the background, with a larger, more complex one in the upper right quadrant and several smaller ones in the lower left and bottom right. The overall aesthetic is technical and minimalist.
