Cryoscope pathfinder

Tuesday, 19 September 2023 10:00 (30 minutes)

Cryoscope is a 1m scale infrared surveyor planned to carry out transient astronomy and gravitational wave follow up from Dome C. A quarter-size pathfinder is finishing construction at Caltech and is planned for deployment at Dome C to carry out an early survey and retire technical risks of the full sized telescope.

Primary authors: Dr TRAVOUILLO, Tony (ANU); Dr SMITH, Roger (Caltech); Prof. KASLIWAL, Mansi (Caltech); Prof. GUILLOT, Tristan (OCA); Prof. ASHLEY, Michael (UNSW)

Presenter: Dr TRAVOUILLO, Tony (ANU)

Session Classification: Optical/IR
