

MANTS 2009: Mediterranean Antarctic Neutrino Telescope Symposium

Saturday 26 September 2009

Data/MC comparison and atmospheric spectra (includes energy reconstruction) (09:40-10:25)

time	[id] title	presenter
09:40	[3] J. Brunner: Data and MC comparisons in ANTARES	
10:10	[4] J.A. Aguilar: Data/MC comparison in IceCube (related to systematic error assessment)	

Data/MC comparison and atmospheric spectra (includes energy reconstruction) (10:45-11:20)

time	[id] title	presenter
10:45	[5] D. Chirkin: Muon energy reconstruction in IceCube and neutrino flux measurement	
11:05	[6] P. Berghaus: Atmospheric muon measurement and data comparison
