

Cosmic Ray Anisotropy Workshop 2011

Friday 28 October 2011

Anisotropy measurements and methods - 309 (14:30-16:20)

time	[id] title	presenter
14:30	[20] Cosmic ray anisotropy from AMANDAs point of view	GURTNER, Maria
15:00	[10] A measurement of the cosmic ray anisotropy at and above 10^{14} eV	Dr GHIA, Piera Luisa
15:30	[29] A needlet-based approach to directional data analysis	IUPPA, Roberto
16:00	[24] Anisotropy in the TeV Cosmic Rays: A Challenge for Interpretation	Dr BENZVI, Segev
