

Cosmic Ray Anisotropy Workshop 2011

Saturday 29 October 2011

Leptonic CR anisotropy, propagation models, and ISM - 309 (09:00-10:30)

time	[id] title	presenter
09:00	[12] Searches for Cosmic Ray Electron Anisotropies with the Fermi Large Area Telescope	Dr VASILEIOU, Vlasios
09:30	[17] GALPROP Code for Galactic Cosmic Ray Propagation and Associated Photon Emissions	Dr MOSKALENKO, Igor
10:00	[0] Interaction of the solar wind with the interstellar medium: structure and implications for galactic cosmic rays	Prof. ZANK, Gary
