

Cosmic Ray Anisotropy Workshop 2011

Friday 28 October 2011

Anisotropy measurements and astrophysical models - 309 (16:40-18:10)

| time | [id] title | presenter |
|-------|---|----------------------|
| 16:40 | [15] Large scale distribution of arrival directions of cosmic rays above ~100 PeV | Dr DELIGNY, Olivier |
| 17:10 | [25] An explanation for the cosmic ray anisotropies at multiple scales | Dr GIACINTI, Gwenael |
| 17:40 | [27] The origin of the cosmic ray positron/electron excess and beyond | Dr YUKSEL, Hasan |
