

Session Program

3-6 Nov 2026

3 - 6 November, 2026

Monterrey, Nuevo León, México

Cosmic-Ray Anisotropy Workshop 2026

Session 10

Thursday 5 November

10:50

Session 10

Session | **Location:** Universidad de Monterrey (UEM), San Pedro Garza García, Mexico

10:50-11:30 **KASCADE cosmic-ray results, with emphasis on TeV-PeV anisotropy**

Speakers

Donghwa Kang, Donghwa Kang

11:30-12:10

Review of indirect cosmic-ray experiments and the current state of observations

Speakers

Juan Carlos Arteaga, Juan Carlos Arteaga Velazquez

12:10-13:00

Open Discussion: Do the experiments agree once energy scales are matched?

13:00
