

Session Program

3-6 Nov 2026

3 - 6 November, 2026
Monterrey, Nuevo León, México

Cosmic-Ray Anisotropy Workshop 2026

Session

Tuesday 3 November

16:20

Session

Session | **Location:** Universidad de Monterrey (UEM), San Pedro Garza García, Mexico

16:20–17:00

Cosmic-ray propagation in astrophysical plasmas: perpendicular superdiffusion and parallel mirror diffusion

Speaker

Yue Hu

17:00–17:20

Discussion: Pitch-angle scattering from the inner heliosphere to the interstellar medium

18:00
