

# Galactic magnetic deflections of UHECRs including realistic random fields

*Thursday, 26 September 2013 16:30 (25 minutes)*

A

**Primary author:** KEIVANI, Azadeh (Louisiana State University)

**Co-authors:** Prof. FARRAR, Glennys (Center for Cosmology and Particle Physics, New York University); Prof. MATTHEWS, James (Louisiana State University); Dr SUTHERLAND, Michael (Louisiana State University)

**Presenter:** KEIVANI, Azadeh (Louisiana State University)

**Session Classification:** Galactic magnetic deflections of UHECRs including realistic random fields - Azadeh Keivani, Louisiana State University

**Track Classification:** Azadeh Keivani
