

Workshop on a wide field-of-view Southern Hemisphere TeV gamma ray observatory

Contribution ID: 20

Type: **not specified**

Recent HAWC results

Thursday, 10 November 2016 11:00 (25 minutes)

With its large field of view and high duty cycle, HAWC has been observing a large fraction of the sky for than a year. We will present the recent analysis and results, in particular on Galactic sources.
